A small obsession with houmous and a large obsession with nomadic people led Jessica Lee to the Middle East in 2004 where she fell in love with the Arabic language and the incredible hospitality of the people. She has lived there full-time since 2007, working as a tour leader as well as a writer.

When not on the overland trail between Cairo and Istanbul, she can usually be found among the fairy chimneys of central Anatolia where she is attempting to renovate a cave-house.

The best printed Beirut guide in English that I know of. Things change so quickly that updates through internet searches are essential.

Thank you! This was very helpful on my recent trip to Lebanon!

Thanks for the excellent travel guide of Beirut - and almost everywhere else in Lebanon I would want to go.
