The Power Of The Actor: The Chubbuck Technique -- The 12-Step Acting Technique That Will Take You From Script To A Living, Breathing, Dynamic Character

Synopsis

In *The Power of the Actor*, a Los Angeles Times bestseller, premier acting teacher and coach Ivana Chubbuck reveals her cutting-edge technique, which has launched some of the most successful acting careers in Hollywood. The first book from the instructor who has taught Charlize Theron, Brad Pitt, Elisabeth Shue, Djimon Hounsou, and Halle Berry, *The Power of the Actor* guides you to dynamic and effective results. For many of today's major talents, the Chubbuck Technique is the leading edge of acting for the twenty-first century. Ivana Chubbuck has developed a curriculum that takes the theories of the acting masters, such as Stanislavski, Meisner, and Hagen, to the next step by utilizing inner pain and emotions, not as an end in itself, but rather as a way to drive and win a goal. In addition to the powerful twelve-step process, the book takes well-known scripts, both classic and contemporary, and demonstrates how to precisely apply Chubbuck's script-analysis process. *The Power of the Actor* is filled with fascinating and inspiring behind-the-scenes accounts of how noted actors have mastered their craft and have accomplished success in such a difficult and competitive field.

Excellent, thorough, and educating. This is the best acting method around for intelligent actors. It's very psychologically based. The book is very thorough on the method, filled with description and examples.

Great book! This is an amazing book for actors but it does not have to be just for actors, it is a book for life, so I recommend it for anyone. I feel by reading this book, one can learn so much about how people act and interact and most importantly you will be so inspired to live an empowered life. Highly recommend!

Great product. Fast service.

Probably one of the best acting books I've read. Will change your mindset and help you go to the next level.

Great book

There's no better book for acting... whoever says anything bad about this book is not fully aware of what this book can do to trigger your acting career!

I love it !

Loved how they tell actors to use their pain as substitutions to make a role more believable. Every actor should read this, make it their bible
