Handy Pocket Guide To Tropical Flowers (Periplus Nature Guides)

Synopsis

Learn all about beautiful tropical flowers with this useful and portable reference book. This handy pocket guide introduces 55 plant species commonly found in the Tropics. Each exotic bloom is described in detail, its history of origination discussed and gardening tips are given. Illustrated with over 120 beautiful color photographs, this book contains a wealth of botanical details, as well as fascinating information on the cultural uses of flowers. A "must" for gardeners and non-gardeners alike Periplus Handy Pocket Guides are practical field guides, useful for identifying various natural objects ranging from plants and animals to gemstones and seashells. Each page of each title throughout the series is filled with clear, precise photographs and informative text. Scientific and local language names are given.

Customer Reviews

There is not much to this book, only 50 types of tropical flowers! I could have spent a little more money and got a better book!
