This book is a cute idea for a wonderful show! I was a bit disappointed with the quality of some of

the images, most are just freeze frames from the show/movies. The photo quality is especially poor for Supergirl's page. Very blurry and pixelated. Something I would expect for a more minor character, but not for one of the most popular heroes! The layout is very inclusive, looking very much like a high school yearbook except there are 1-2 page spreads for individual students. I was surprised at how many of the characters were included! The major heroes get 2 pages, minor characters get 1 page. There are also standout awards ("Superlatives"), faculty, campus life candid shots, rival schools, etc. Overall it was a good purchase and my daughter will love it. It could be much better with higher quality images.

When the book came, it was thinner than I expected. Probably about a centimeter thick, but my sister loved it! She's in 4th grade and read it with ease.

My daughter is crazy about DC Superhero Girls (okay, me too). We love looking at all the many characters and secondary characters all in one place.

This book has a lot more superheroes in it than I thought it would. My daughter loves it. Awesome yearbook.

This is my 5 year old's favorite book, filled with empowering characters and story lines to discuss justice issues with grade schoolers.

Pictures are wonderful and the text is perfect for any early reader. Not too overwhelming.

My daughter (4 yrs) loved looking at all of the different super heros, and heroines. It was great.

Really cute book. My kids like to guess their favorite foods.
