## Customer Reviews

This is not worthy of even being called a cookbook. Nothing in the very few recipes in here that are really traditional Polish. It was all about the book having pages of a lot of advertising for her other books. What a total waste of \$4.99 and shipping fees. I requested a return and refund which I received.

The book only listed a few basic recipes. The book included nothing you couldn't look up easily online for no cost.

I must have missed the fact this is basically a pamphlet. I was very disappointed. The book only

contained 12 recipes, most of which I would never consider making or my family consider eating. Huge waste of money!

I enjoyed just reading this book. And the food was good, down home comfort food. I especially enjoyed the main dish items.

My family liked the food a lot. Very easy to follow instructions. Over all I am really glad I chose it.
