The Church Awakening: An Urgent Call For Renewal

Synopsis

In *THE CHURCH AWAKENING*, Charles R. Swindoll discusses the challenges, struggles, and priorities of the church in the 21st century. He reveals the problems inherent in the entertainment-based postmodern church and shows how a return to biblical teaching will restore its strength and impact. Now being replaced by a feel-good message instead of what Christians need to know to stand strong in a world that's lost its way, Swindoll exposes the problems and offers solutions for the postmodern evangelical church. Just as he opened readers' eyes with his bold statements in *The Grace Awakening*, Swindoll now explains how to reestablish the church as a life-altering experience, based on the principles of Jesus' teaching.

I enjoyed this book and the candid point of view of today's churches. I recommend for anyone searching for answers about today's biggest problems in the local church.

Great read

As an individual who has now pastored for 20 years this book is a help tome. It is very balanced and practical.

This book is a great read for those interested in the general declension of modern times and some areas of focus to reverse this trend.

Great read!

Not saying I agree with everything, but it certainly provides much food for thought. Very well thought out. A must read for those concerned with the Church.

Swindoll is right on.

We don't need a radical faith, what we need is a grace awakening... nothing more fruitful and God-honoring than a Christian heart full of God's grace, living in the freedom Christ bought for us...
