Picked this up along with another volume from this guy and have to say that I am very happy that I did. I am almost 30 so it def. isn't only for seniors. My vision has given me problems for a long time so I really need to go out of my way to find puzzles books that don't make my eyes strain. Five stars def for the font being large enough for me not to have to work extra hard to find the words. The puzzles are all themed and so far I am enjoying it very much. Used it as my last dr appointment - sometimes staring at the phone is super straining on the eyes (well and the battery likes to die lol) so this is a great book to have around. Will be buying more from this author.

This was a gift for a elderly friend in a rehab center who loves these and was having trouble with low light levels and smeared newspaper ink. She absolutely loves it, and that pleases me. It was a great find.

I love the extra large print that these books offer. Author has some great word search topics and her words go every which way, which makes it more challenging.

I ONLY HAVE ONE COMPLAINT. I WISH HE WOULD DO MORE LIKE THIS. I CAN ONLY FIND 1 AND 2 BOOKS

GREAT

works perfect
