Very good! But a little violent for some kids.

My son loves the series!

My children thoroughly enjoy these interactive history books. Great book and keeps kids engaged!

This is a great book and I would highly recommend this book for anyone who is interested in the Vietnam war or in history

Thrilling full of all kinds of possibilities

Absolutely great book for boys who are struggling to have the desire to read! My 13 year old has always hated reading and since finding these books he has bloomed to always having one of these books in his hands. I wish I would have found them sooner!!
