Premier Piano Course Lesson Book, Bk 1B: Book & CD

Synopsis

Beautifully presented and intelligently paced, the Lesson Books combine unusually attractive music and lyrics. The books feature note reading, rhythm reading, sight-reading and technical workouts. Each piece on the CD was recorded at a performance tempo and a slower practice tempo. The music from this book is available in the Piano Maestro app that's downloadable at <http://app.appsflyer.com/id604699751?pid=web&c=alfred>. Customer Reviews

I won't repeat what the general description says- I thoroughly agree! I would add that most songs in this series are solid stand-alone solos, and also feature beautifully scored teacher duets, which afford the students weekly opportunities to make live music with another musician!! The teacher duets are in the tradition of the classics (often based on specific and named classical pieces), jazz, and eclectic accompaniment styles, so the student's musical taste is further developed. Slam dunk! One more note about duets: teachers, our part is a tad more complicated than the accompaniments, say, in the same level of Faber. I find a quick run through the night before lesson day is helpful (but so worth it!)

Good prices

I love this series because it goes at a great pace and teaches things in an order that makes sense (unlike some books that teach the staff before being able to identify types of notes ex quarter, half..etc)I use this book along with the performance book to allow extra practice for each new lesson.

I have been teaching for twenty years and just switched to this method. So far I find it satisfactory and a nice change. My students enjoy the books also.

Good follow-up series

My son just finished this book. Learned a lot.

Item as described. Excellent book for the beginners as well as intermediate learners. My son loves this book.

As President of the Shoreline School of Art & Music, est. 1978, and former assistant supervisor of student teachers at Westfield State University, I am familiar with many method book series. I always recommend the Alfred Premier Piano Course because not only is each exercise carefully graded but the books within the series are carefully graded as well. Also, children and adult beginners enjoy the musical approach to learning inherent in each book. Richard Milgram, B.Mus., M.Mus.
