Customer Reviews

Just pics, clqthd but they did look slutty I guess I need 20 more words. That seems a bit to say. No words in the "book" just pics of sluts or slutty lookin' gals.

This is just nothing... a rip off at free. I have to have more words and these are them the end

Boring.

Not worth the time

The best pic is the cover if they had more shots of that and sneaky shots of slutty girls then it would be good its easy these days women are slutty now days.
