Very nice dictionary. I know a lot of people like the Hans Weir Arabic Dictionary, but this one is so much simpler. It has English words first and then Arabic after. Very clear and easy to find words. Very happy with it!

Very good little pocket dictionary for beginners/intermediate. Would have liked irregular plurals for nouns and adjectives. Have used the other (French, German) Merriam Webster dictionaries that are

really superb, and thought this might have more. Very good just the same and not overwhelming. Am developing vocabulary competency rapidly.

It was just the type of dictionary I was looking for.

Good thank you

Thank you

it contains more stuff than just an ordinary dictionary, I will order another one just to have it travel with me everywhere. great gift, greater even when covered and bound in leather.

I was looking for a dictionary that explained the meaning of the word and the sarf. This book was too general.

so useful for beginners.
