The Trials Begin: A Buxomville Adventure (Book 2)

Synopsis

Tired of reading the same bland, plotless erotic stories that seem to be copying each other? Then this over-the-top, tongue-in-cheek, laugh-out-loud book series is for you! Book 2 in A Buxomville Adventure All women will bow before the mighty wizard's staff! So daydreams Dudley Chambers as his alter ego Dorkner. Dudley Chambers doesn't have much in the way of life except his role playing games and a small handful of friends. Life is moving pretty slowly and heading nowhere when Dudley finally receives a scholarship to attend a college in the small town of Buxomville. Leaving his home, he travels to the small town in the middle of nowhere. Meeting his new roommates, Harold and his wife, an irresistible beauty named Julie, Dudley starts suspecting things are not quite as they seem. As a matter of fact, they are completely backwards. A sexy adventure with lots of laughs, professionally edited, with an actual plot, Dorkner Rising will have you laughing and begging for more. This will be a continuing saga with new adventures published weekly. For fans of 80s movies, sci-fi, role playing games and the absurd!
