## **Customer Reviews**

Triumph Books is a leader in quality and innovation in sports publishing. They are based in Chicago.

This book is essential for any baseball fan's collection. I bought it to replace an outdated copy. I'm glad it wasn't meant to be a gift since it arrived slightly damaged.

Incomplete. Rule 10 not complete. Small print.

5 stars for content. 2 stars for size of print. Should have just been a little bigger, & a number of pages longer

I wish more coaches would read this book

A must have if you're a serious fan.

The rules are the rules, but the print is way too small Hard to read and could use more notes and comments from MLB. Some of the rules seem crazy and the history behind them would be a great addition to this book.

## BOOK TOO SMALL! PRINT DIFFICULT TO READ.

No matter how much we may believe we already know about baseball, this book "lays down the law". A must-read for any diehard baseball fan.
