Disgusting.

I've lived in the Twin Cities all my life and I first started using this book to cater my choices towards local businesses. There is not one restaurant that I picked from the book that isn't absolutely fabulous. It is full of the best that the Twin Cities has to offer; no visitor will leave unsatisfied. I hope the authors will continue to make more editions for the Twin Cities. I keep this book and thumb through it every time I am stumped on where to go for dinner.
