## Customer Reviews

Sweet potatoes are healthy. And a very good reason to get this book. If you have an abundance of sweet potatoes you can make and bake and freeze and use later. These recipes are easy to prepare and isn't it a bonus when something so good for you tastes wonderful. This type of cookbook uses ingredients that are always available, or can be obtained at your local market. This recipe book should be the basis of an international project to address the obesity crisis. Well done! In contrast recipes to reward yourself for being so good. Go toÂ Blissfully Chocolate - Classic Cake, Biscuit and Dessert Recipes (Ambrosial Delights From the Past)

30 Delicious Sweet Potato Recipes gave us some new ideas how to make dishes using sweet potatoes. We eat them as an alternative to white potatoes on a regular basis but new recipes will give us more variety in how to make them a healthy alternative choice in our diet.

I thoroughly enjoyed this book. The various recipes were encouraging. I had not tried them yet but look forward to doing so. Sweet potatoes in any form are a big hit in my family so I look forward to many rewarding days. The recipes are easy to follow and the ingredients are easily accessible. I highly recommend this book, even without trying the recipes because the combinations make me believe that I will love it.

great recipes

This is a great recipe book for sweet potatoes. I love it and think others will as well. I now have recipes for any way I could possibly want sweet potatoes.

We love sweet potatoes so we as a family are looking forward to trying several of these recipes out. This is the type of cookbook I love uses ingredients that I always have on hand or can obtain at

my local market. Will be trying the cheese cake this weekend for sure.

Uncomplicated, useful recipes that do not call for fancy ingredients. I found several gems in here I would not otherwise have thought of like Sweet Potato and Lentil soup and a Sweet Potato Fetticune, both of which I intend to try. Thanks Pam!

I have an organic garden and every year have an over abundance of sweet taters. Although they are my favorite , I run out of innovative ideas to Utilize them all. Now I can make and bake and freeze. Along with daily enjoying them. AWESOME. thank you
