MOON OVER THE MOUNTAIN (A Quilting Cozy Book 6)

Synopsis

MOON OVER THE MOUNTAIN: A Quilting Cozy (Book 6)"...She stopped suddenly when she heard twigs snapping nearby. She became tense and slowly crouched in the thicket. She could hear the rustling of the tall grasses along the edge of the stream. She could feel the tingle on the back of her neck as fear crept up her spine..."

—Sarah Parker, an active seventy-something woman, attends a quilt retreat in the Appalachian Mountains just outside the Great Smoky Mountain National Park where she and her new quilting friends create memory quilts, explore native arts and crafts, and enjoy the spectacular mountain setting. The tranquility she enjoys is interrupted by an alarming presence in the forest surrounding Ten Oaks Lodge and Retreat Center. Her curiosity leads her to a family of mountain children struggling to survive alone and the mystery of their missing father.

Moon over the Mountain: A Quilting Cozy is the sixth book in Carol Dean Jones's Quilting Cozy series, following Tie Died, Running Stitches, Sea Bound, Patchwork Connections, and Stitched Together. As always, Ms. Jones's stories include lots of quilting!

I loved this book. It is a book that you will find hard to put down. There is mystery and drama.

I am so glad that Carol Dean Jones decided to continue the wonderful story about I am so glad that Carol Dean Jones decided to continue the story. I have read her other 5 books and was delighted that she came back. Just like her others, this was a joy to read. Maybe she will do another?? Ruth Rowe

Book 6 of the Quilting Cozy series is wonderful. Nice story of sadness and joy in a mountain setting. I'm so glad Sarah is going on these quilting retreats as I am living my fantasy through her. It is so wonderful to see these two "youngsters" in love and doing things together. Sarah and Charles have big hearts and I wish everyone were like them. You'll enjoy this book as much as the rest.

Great book, could not put it down.

Love this series. I just get lost with them. I can't wait to read.

Very heartwarming book. A testament to the human spirit.

I thoroughly enjoyed this quilt cozy mystery. One of my favorite things about quilting is the history of traditional quilt block names, so I was interested to learn about the Moon Over the Mountain block. I have read other books by this author and will probably buy more as they become available.

A comfort book.
