Sinfully Easy Delicious Desserts

Synopsis

Homemade desserts just got quicker, easier, and smarter Alice Medrich rewrites the dessert menu for cooks in search of totally doable desserts without hours of prep. In *Sinfully Easy Delicious Desserts*, you'll find the quickest lemon tart, a lattice-free linzer (mixed entirely in the food processor), one-bowl French chocolate torte (yes, the real thing, but easier to make), imaginative ways with ice cream, chic puddings and mousses to swoon over, and gooey pies with no-fault press-in crusts. Even soufflés for beginners. And you won't need a rolling pin, a pastry brush, or the skills of a professional baker. As always, Alice's recipes are foolproof and well tested, and her tips for success will make all cooks— even those nervous about baking—confident in the kitchen. Plus there are more than 100 ideas for spur-of-the-moment desserts that don't even involve baking, including fantastic ideas for ways to dress up a bar of chocolate, a pint of strawberries, a handful of dried fruit, fresh cheese, gingerbread, amaretti, and more. And of course all those spot-on combinations for which Alice Medrich is so well known, such as Grilled Pineapple with Coffee Ice Cream, Lemon-Scented Peach Crisp, Salted-Caramel Banana Bread Pudding, and Coconut Pecan Torte.

Customer Reviews

“Effortless sophisticated desserts. . . . perfect for short-staffed dinner parties and midweek dessert cravings.”

Alice Medrich is the winner of five James Beard Foundation Awards, most recently Best Baking &

Dessert Book of the Year for her tenth cookbook, *Flavor Flours* (Artisan Books, November 2014). She received her formal training at the prestigious *ÃfÃ© cole LenÃfÃ©tre* in France and is widely credited with popularizing chocolate truffles in America. Medrich writes for Food52.com and teaches online baking courses at Craftsy.com. She lives in Berkeley, California.

This is the second Medrich dessert book we've gotten. Her recipes are very clearly written and easy to follow. We've never had a dud. Cooking times are always right. We live in the Bay Area and remember *Cocolat* fondly. It's like reuniting with an old friend.

If you ever need a cookbook to take to a desert island or save from fire, this is the book. Literally everything I've done was fabulous.

Creative recipes that aren't too crazy to make. (We discovered this in our caterer's kitchen, so we didn't hesitate to buy it and it's a keeper!)

Great recipes - low effort, super high payoff.

Easy, creative and elegant. And fun.

Great recipes that taste even better than they look.

I have all of Alice Medrich's previous books and rate them highly. However, I was a bit disappointed in this one. There weren't many recipes I was anxious to try.

Great quality used book
