State Quarters 1999-2009 Deluxe Collector's Folder: District Of Columbia And Territories, Philadelphia And Denver Mints (Warman's Collector Coin Folders)

Synopsis

There are coin folders and then there is this deluxe State Quarter folder. From the rich red, white and blue background to the breathtaking center spread of coin slots--120 in all--this folder is worthy of this caliber of coins. In addition to a slot for every coin in the series, there is a space for both the Philadelphia Mint and Denver Mint issues. Larger in size than the average, this folder also includes the date each state entered the union, and key facts about the state. This is a great gift for teaching children about their state and the country's currency.

Book Information

Series: Warman's Collector Coin Folders

Hardcover: 4 pages

Publisher: Krause Publications (November 12, 2009)

Language: English

ISBN-10: 1440212945

Customer Reviews

This is a great product that is not only easy to use, but appears to be of lasting quality. If I was going to alter the design, I would consider moving the informational pages to the very back in their own area, so as not to interfere with viewing and coin determination. I might also include a tips pages for how and where to find some of the harder to find minted quarters. As an example, I am finding it hard to find a "P" mint quarter from New Mexico. Information regarding quantities minted by each mint would be helpful and whether or not they are all in circulation would help also.

My son just recently informed me he wanted to starting collecting the State Quarters so I did a little research and ended up purchasing this State Quarters 1999-2009 Deluxe Collectors Folder by Warman's. Not only is the cover the traditional red, white, and blue but it seems to be made of high quality. My son is able to easily snap in the quarters into their spot. The bonus of this folder is it

includes key facts about each state that he's found interesting.

A very fun collector's folder, since not only do you need to find all the 50 state quarters, both Denver and Philadelphia mint marks, but also you have to find the quarters from 2009, the territories. This proves to be a challenge, since a couple of these have become relatively scarce. Much fun!

Received quickly and well made. Coins fit perfectly.

It is extremely difficult to get the coins into the book without bending the backing, and the "cardboard" material it's made out of. Other than that, I am pleased to have something that my son and I can work on together.

Great

I am collecting these quarters for my grandson

Nice.
