Customer Reviews

Very cute. A bit bigger than I expected but it turns out that was good for the kids. Easy to put on, stay on for quite awhile and make the kids happy. I would caution to buy more than one package as I think you'll need it.

Bought as a stocking stuffer for my niece who loves dolphins. The tattoos come in a cute little greeting card type package printed on really nice paper stock and includes a little paragraph about dolphins. The presentation is pretty great for the price. Honestly, I was just expecting a sheet of tattoos to arrive, so the packaging was a nice surprise. There are 6 tattoos total and all are adorable and have great colors. It's certainly a perfect add-on gift or stocking stuffer for dolphin lovers. Also,

the shipping was lightning FAST. I ordered on Saturday. They were here on Sunday!

There are not many tattoos in the package which is OK because of the low price, but we found the quality to be lacking. Some of them didn't apply correctly (even when following directions exactly), and you'd wind up with a missing dolphin fluke or something.

Keep in mind when ordering that the booklet is just SIX tattoos. The images and the glitter make it very desirable among little girls.

The tattoos are OK but don't look as nice on as I anticipated. There are only a handful in the "book"- I should've paid attention to an exact count. Definitely NOT worth \$1.99. I wouldn't have bought these for \$1 had I seen them first. Live and learn.

Cute tattoos but there's not very many in there. I was gonna use it for a birthday party but I couldn't cuz not ever kid would've gotten one.

Nice, cheap tattoos. Took these to SeaWorld to avoid the scam of having to pay high dollar.

They worked great & the kids loved the beautiful pictures.
