Gutsy Women: Travel Tips And Wisdom For The Road (Travelers' Tales) (No. 1)

Synopsis

Travelers' Tales: Love & Romance will be released in January 1998 -- just in time for setting up displays for Valentine's Day in February. To help promote this title, along with the rest of our Travelers' Tales titles, we've put together a special program to help drive customers to your stores. It is similar to the Frequent Buyer Program for our technical books where booksellers participate by purchasing a minimum quantity of books and we list your store in a flyer sent to our customer list. Customers purchase any ten O'Reilly titles, send us their receipts along with a completed Frequent Buyer Card, and receive a free book. The Travelers' Tales promotion is the same except instead of a free book, they'll receive a free Travelers' Tales Armchair Adventure T-shirt.

Easy read, great tips, thoroughly enjoyed it and have made notes! No doubt will probably order the subsequent editions, too.

This was the first purchase I ever made on back in December 1995 and today I just donated this book to a charity garage sale. What can I say after holding on to it for almost 20 years. It's a great read but I am moving on to Kindle versions of all my books to save space.

I got a copy of your book before I left on my solo trip to China. I was > >inspired by the commonsense, supportiveand inspiratinal words in thebook. > >I always keep a journal on my trips. This time I made copies of thelittle > >inset boxes with the words of wisdom. I randomly glued them into myjournal > >before I left. It was amazing and inspirational where these words of > >wisdom showed up. For example, I was on a train somewhere betweenBeijing > >and Xian. I was in a sleeper with two older Chinese businessmen anda > >fellow from New Zealand. We were all shocked about sharing the sleeper. > >The room was hot, very hot and stuffy. In the middle of the > >night one of the businessmen wakes up, turns on the light and starts > >coughing, hacking, and spitting. I bail out of my bunk, go to thedining > >car, and start writing. I am the only Westerner in the car. In my > >journal, the saying on p 13 was on the page. "As a woman, my fearof being > >cooped up in my home without new challenges, new conversations, newvistas, > >far out weighs any fears I might have of traveling solo in a strangeland." > > Those words made my current experience much more the adventure. This book > >contributed greatly to a wonderful trip. Thanks.> >>> > >>Ev Levine, photographer, mother, wife, and addicted traveller. > >>-----

Gutsy Women is packed with useful advice delivered in a readable, reassuring and fun way so this

is the perfect little gift for the gal going abroad - or even just aspiring to. Travelers Tales have published a whole series of these tips books which are great fun to dip into and I especially love the case histories, lists and advice boxes.

This book came into my life when I was trying to decide whether to take off on my own to travel around the world. The tips and realistic advice about women traveling indepentently inspired me to pursue my travel dream. Marybeth Bond has a writing style that instantly makes you feel comfortable. She explains the ins and outs of travel in a way that makes it all seem possible. I would recommend the book to anyone considering a trip abroad on her own.
