Customer Reviews

Founded in 1947, Hal Leonard Corporation has become the worlds largest print music publisher, representing some of the greatest songwriters and artists of all time. We are proud to publish titles of interest to all musicians as well as music lovers, from songbooks and instructional titles to artist biographies and instrument price guides to books about the music industry and all the performing arts.

This product has no value to present day singers. Nobody nowadays does these pieces at these slow tempi, they are based on outdated performance practice of the '60's (I am in particular referring to the Messiah pieces, which is what I primarily ordered the product for. I found no reason to take the time to listen to the rest). MMO needs to update this product.
