Shamanism in Siberia

excerpts from Aboriginal Siberia

by M. A. CZAPLICKA
[1914]

Kindle Edition published by Evinity Publishing Inc, 2009.

Synopsis

This is M.A. Czaplicka's review of the literature about Shamanism in Siberia, excerpted from a longer ethnographic work. Siberian Shamanism is important topic because the practice continued there up until historic times, and so there are reliable modern accounts. The details of the shamanistic journey appear to be largely consistent throughout this culture region. This extended description contains important source material on Shamanism.--J.B. Hare
