International Law, Cases And Materials, 5th (American Casebooks) (American Casebook Series)

Synopsis

This classic International Law casebook is fully updated to cover key developments, such as the International Court's Israeli Wall and Serbia Genocide decisions, Kosovo's declaration of independence, U.S. Supreme Court judgments in *Sosa* and *Medellin*, and much more. With extraordinary range and depth, the casebook provides both new and experienced teachers with ample material for educating students and provoking exciting classroom discussions. Designed for introductory and advanced classes, with detailed readings on the fundamental structure and actors of international law, but also on more specialized subject matter areas (human rights, military force, international criminal law, law of the sea, environment, etc.).

Best Sellers Rank: #100,245 in Books (See Top 100 in Books) #50 in [Books > Law > Foreign & International Law](#) #1105 in [Books > Textbooks > Law](#)

Customer Reviews

Very good condition. Good price for such an expensive book. I bought it for an undergraduate international law class. I ended up not needing the book as the professor provided detailed outlines. But it was still nice to have and even read. The language is not very easy to understand - as it is for law students. But it was still a very informative book.

There aren't many international law casebooks out there, so I guess it's not surprising that no one seems to know how to write a decent one yet. This book is so full of rambling "commentary" and fine-print minutiae that you won't really emerge with a clear understanding of international law. The book is a decent compendium of cases, but don't expect intelligible insights from the author.

Exactly what I was expecting! Great product - I would absolutely recommend this to anyone.

Great book! Enjoyed reading the notes mixed in with the legal explanations--the notes gave context to the laws and described case law in depth.

very informative

Not sure if its the professor of the class or the test book or both. Too much going on! As much as I love public international law this book can make you dislike it! It goes on and on and on

Horrible. Book cover was torn. I had to tape front and end cover. Many parts underlined. Seemed quite old. More than unsatisfactory.

it's NOT the 5th edition!!
