## Synopsis

Welcome! I'm the writer of the popular Minecraft furniture eBook on Kindle and after many requests I've been working on ideas for beautiful, detailed and decorative house designs. In this eBook I will show you The Beach House. It's a modern home made mainly of sandstone and spruce wood, perfect on a beach next to the ocean! The house has a bedroom, a beautiful slab room, a relaxing porch and a decorative garden design. This guide features:-  
• A step-by-step blueprint with helpful pictures and detailed descriptions  
• A list of all the resources you'll need for this build  
• A reference video that breaks down every single step of the blueprint

## Customer Reviews

I HATE THIS BOOK IT DOES NOT EVEN TELL YOU HOW TO BUILD IT THERE ARE JUST PICTURES DO NOT GET THIS BOOK IT IS A WASTE OF MONEY I WOULD GIVE IT A 0 star IF I COULD THIS BOOK IS S\*\*\*

It is a good book and i built it.I very highly do not recommend it for minecraft pocket edition

A very good book with clear directions. Lots of space used correctly and very organized. Seems reviewed and revised. .

Really enjoyed this build. I made it one block to big, but it still worked. Keep up the good work

his books are good you should help johan IÃ¶Ã¶f out so get a cp of his ebook so help him please

If you get this book, borrow it for free, or buy it, but don't get a sample.A few people were giving one-stars because they probably got a sample of it. To thise people I say:Wait until you can, and BORROW the book. It will be free!Ok, now I will tell you why I rated this a five-star. If you just skip past the first few pages, he will tell you all about how to build the foundation, although it may be a little hard to understand at first, just keep looking at it and ypu will understand.He puts how many of each you need in the first few pages, so if you are planning to make this in survival you will need to look over that. Hope you will take my advice!! ( and like my review ) Lulu

I love all your books! Your books have helped me make amazing things!!! All of my friends wonder how I made these things. In till I showed them your book!!!
