Particular attention is given to shopping in the exotic regions, with details on local artists, cut-price designer clothing and the best values on duty-free goods. Tips on what to do from sunup to sundown include tours, sightseeing, sunning, watersports and the best beaches. Piano bars, jazz clubs, places to meet people and even gay clubs are listed for nightlife. Transportation to, from, and around the area is also covered. "I found this book to be extremely helpful. Very practical advice. The only thing I found not to be true was "dressing for dinner". I found that casual dress was by far the best in St. Kitts. Anyone taking a trip to St. Kitts and Nevis should read this book!" -- Richelle Long/.com

Customer Reviews

Good book but probably not necessary with the internet so close.

Provides a good overview but is a bit dated already. Some of the businesses listed have closed up shop. I found more current information online and downloaded it into my PDA.

I found this book to be extremely helpful. Very practical advice. The only thing I found not to be true was "dressing for dinner". I found that casual dress was by far the best in St. Kitts. Anyone taking a trip to St. Kitts and Nevis should read this book!
