## Customer Reviews

Beautiful music, all 4 of these pieces that are in the suite are like candy to the ears. I first played this as part of the Trinity Guildhall Grade 8 Piano Performance exam for duets, so it is a higher difficulty piece but not impossible.

I've had several students work on these duets. Excellently written; very nice when combined.

This is my favorite piano duet. I got a second copy so my mother and I can both practice then when she visits we enjoy playing and entertaining our family.

Love Debussy

Enjoying it very much.

First. I like Debussy. This is one of his little treasures you can enjoy with someone else. Second. If you're a guy like me and want a special way to spend sometime with a lady, buy this. It is a minimal investment that can result in hours of time! Third. It can be used multiple times. Same date. But you

want to get better. So you can keep using it.
