Amish Days: The Adoption: A Hollybrook Amish Romance (Faith's Story Book 1)

Synopsis

Faith Baldwin's birth mother is Amish and lives somewhere in Indiana. That's all Faith knows, but she's determined to find her. Taking off one warm summer day, Faith stops first in Landover Creek. Pretending she's simply a tourist, she digs around searching for clues. While there, she becomes enchanted with the Amish and their way of life. For the first time ever, Faith feels that the missing piece of her heart might be found. But things don't go as smoothly as she hopes. Her boyfriend unexpectedly shows up; every lead goes dead; and the one old woman who might have answers for her won't talk. Over the years, Nancy Hershberger's secret is slowly strangling her. How long can she keep the truth from her husband? And how long can she hide her tears and her deep regret? The Adoption is a sweet, clean, inspirational Amish Story—part of the much-loved Hollybrook Amish Romance series. It is a touching Christian story of a searching soul, broken hope, and tough faith. Customer Reviews

I have read a couple of Maxfield's books and enjoyed them. It is hard to put them down

it was an ok book. as an adoptive mother I could relate to it

enjoyed this book in the series

Loved this story. It carries you right into the lives of the main character, her family and friends. Loved how the author portrays the other characters and shows their true emotions in the tough situation yet gives the main character a chance to step out and go for what she wants but give her good cautionary advice.
