Was hoping for more of the recipes I have enjoyed at the restaurant, especially entrees, but this book didn't deliver. It's more of a nice memento than an oft used cookbook.

Really nice, and fantastic gift for anyone who grew up in, or likes New Mexico. Note, the recipes are kind of fancy (at least I can say I don't have all the ingredients for most of them in my pantry). Still happy with purchase - challenges are good, right?

After a trip to New Mexico, this, and the other Cafe Pasqual's cookbook, were my souvenirs. Even if you haven't been to Santa Fe, you would love this book. Don't let the long list of ingredients for some recipes make you not want to try them. The end product is worth the effort.

We ate at the restaurant several times and loved the food so much I had to buy the cookbook. It doesn't disappoint, most of my favorites are in this one. I am cooking my way through it, so far so good.

Awesome cookbook - makes me feel like I'm back at Cafe Pasqual's again when I make one of these dishes and makes me want to travel back to New Mexico ASAP!

For anyone that has ever had the pleasure of dining at Cafe Pasqual's in Santa Fe, it is a real treat to bring some of the recipe's home from this awesome establishment. We have already made the pecan soup and it was excellent. The book is as beautiful as it is delicious. Great photos of the

restaurant and food. Highly recommend this book for anyone looking to satisfy their Santa Fe appetite without actually making the trek down to New Mexico. This is one of those recipe books that could rest comfortably on your coffee table.

Ate at this restaurant in Santa Fe and are now very happy to have the cook book.

THANK YOU ITS ONE OF MY FAVORITE COOKING BOOK.
