Arguably one of the greatest writers of the Victorian era, Charles Dickens is the author of such literary masterpieces as *A Tale of Two Cities* (1859), *A Christmas Carol* (1843), *David Copperfield* (1850), and *The Adventures of Oliver Twist* (1839), among many others. Dickens' s indelible characters and timeless stories continue to resonate with readers around the world more than 130 years after his death. Dickens was born in 1812 and died in 1870.

Enjoyed it very much as we traveled. Quality and sound are great; story is a classic!

Since I am going back to school in the fall and have required reading of *Oliver Twist*, following the audio book is really nice for me. Since I have a slight reading dyslexia, the book narration is very

nice to follow. I also wanted this audio book because in my senior year in high school, I had to read Great Expectations, got the audio book, and wrote a paper on the book getting an A+. I hope I can receive the same results when following the audio book of Oliver Twist. Jason A Appleton WI
