Bates' Visual Guide To Physical Examination: 12-Month Access Card To BatesVisualGuide.com

Synopsis

Carefully scripted and reviewed by clinical experts and educators including Dr. Lynn S. Bickley, author of *Bates's Guide to Physical Examination and History Taking*, the site presents a step-by-step approach to patient, current examination techniques, and normal and abnormal findings. More than 7 hours of head-to-toe and systems-based video footage features standardized patients that represent various age groups, backgrounds, and conditions. Accessibility via the web allows you to prepare for class or review material prior to exams from current browsers, devices, or locations with an internet connection. Convenient site functionality includes keyword search for quick access to content, ability to email a clip, and PDF transcripts to use as reference or handouts. When paired with the parent and/or pocket text (in print or digital formats), *Bates's Visual Guide* serves as a complete assessment learning solution for students in medical, nursing, and related programs. The 12-month subscription is ideal for assessment or introduction to clinical medicine courses and can be activated on the *Bates Visual Guide* site.

Customer Reviews

Useless. Literally it's only a few videos (all of which are on YouTube for free).... really annoyed I bought this

Great if you're going into ARNP but a bit too in depth for assessments for other scope of advanced practice nursing.

Not worth paying shipping for a code!!!

Thank you
