Customer Reviews

A very good map for the area it covers.

Sufficient for the intended use.

Good condition very happy

just as described- fast shipment- TYVM!

Traveling the ever-famous Cape Cod is a wonderful experience! But getting lost while driving is definately not a wonderful experience! The Cape Cod Atlas is detailed and provides a great deal of helpful info for those making the journey on the Cape. It is big enough to read, so there is no eye-squinting involved. It includes landscapes and several other points of interest, as well as campsites and lighthouses. For those who frequent the Cape, this will be your bible!
