Armenia, Azerbaijan & Georgia: Politics, Profiles & United States' Interests. Edited By Ronald J. Clark, William E. Rivera (Caucasus Region Political, Economic, And Security Issues)

Synopsis

The United States recognised the independence of Armenia, Azerbaijan, and Georgia when the former Soviet Union broke up at the end of 1991. It fostered these states' ties with the West in part to end their dependence on Russia for trade, security, and other relations. This book provides profiles of these countries, examining political developments and discussing the interests there of the United States.
