Franklin And Harriet

Synopsis

In this Franklin Classic Storybook, Franklin likes being a big brother ... most of the time. But when his little sister, Harriet, wants to play with his favorite stuffed animal, Franklin doesn't want to share. As they tug at the toy, something terrible happens. It rips! Franklin's mother fixes it, but he remains angry and hides the toy in his closet. Then Franklin discovers it's not the toy that makes Harriet happy --- it's her big brother who brings a smile to her face. Franklin decides that maybe sharing isn't so bad after all.

Paulette Bourgeois is the author of more than 40 books for children, including the In My Neighborhood series and Oma's Quilt. She lives in Toronto, Ontario. Brenda Clark is best known as the illustrator of the original Franklin the Turtle series written by Paulette Bourgeois. Other popular titles she has illustrated include Sadie and the Snowman, Big Sarah's Little Boots, and the award winning, Little Fingerling. Brenda lives in Port Hope, Ontario.

This is another excellent "Franklin" release. This story is all about some of the issues Franklin faces with his sister, Harriet, who is now a toddler. Franklin likes being a big brother, but when Harriet

starts thinking that his dog Sam is hers, he begins to see things in a different light. (And if you know about Franklin, then you know how important Sam is to him.) Fortunately, like a lot of brother/sister quarrels, this is only a temporary problem and Franklin learns that Harriet isn't so bad after all. Each page of the story is beautifully illustrated and it reads well also.

Love Franklin Books! My grand daughters favorite books.

Excellent

Having a little sister is proving quite frustrating for Franklin. "She cries all the time, she tries to steal his toys, and she is just plain irritating. But, before he even knows it, Franklin's mother shows him just how rewarding it can be to have a little sister! This is an absolutely wonderful book. I too have a boy who found his little sister quite irritating. This book is a great resource that should be given to every family who adds another child into an existing family. The story is interesting and the illustrations are bright and well-done which will engage the youngster's attention. I highly recommend this book.

Franklin is every young child's friend. They can instantly connect with the young turtle's sense of adventure and enjoy watching him work through familiar problems and solve them in his own way. All of them have been authored by Paulette Bourgeois and illustrated by Brenda Clark. They obviously made a wonderful team, since they have sold over 60 millions copies in over 30 languages. The stories are engaging and the pictures delightful. I love these books!!!

My 7 year old daughter and I read this story together. It helped us start a conversation about her big sisters and how it would be easy to forget that you were little and how sometimes big sisters don't realize how much they mean to little sisters.

If your child loves Franklin, he'll love this book! Franklin learns that even though he doesn't like being a big brother ALL of the time...he loves his sister very much, and she really loves him. I would recommend it to all Franklin lovers!
