Another amazing coloring experience. Beautiful pictures that are so incredibly creative and wonderfully drawn.

This book is just as its name says EPIC !! Bennett Klein has outdone himself with this one ! There are pictures in this book for beginner to expert grayscale colorists! It's a must have !!

This is one of his best yet. Very detailed pictures. Gives you a great challenge. Love that he also added some easy ones too. I bought the hard cover book. I also own the PDF version from his personal website.

Fantastic images, by the best coloring book artist there is! Well done yet again Bennett!

Bennett Klein does not disappoint - another fantabulous book by this incredibly talented artist. Would love to have a snapshot of his mind putting these ideas onto paper - taking coloring to a whole new level!

Exactly what I expected, another outstanding book by Bennett.

Bennett you did it again!!! I must say this is my favorite. I hope to someday own all of your book.
Keep up the great work

Bennett Klein's Epic, is just that! Love all his work. This book is a bit of a challenge but a lot of fun, if you're up for a challenge you'll love this book!
