The Walking Dead En Espanol, Tomo 1: Dias Pasados (Walking Dead (6 Stories))

Synopsis

Available for the first time in the US, the first volume of The Walking Dead saga is presented in Spanish. The world we knew is gone. The world of commerce and frivolous necessity has been replaced by a world of survival and responsibility. An epidemic of apocalyptic proportions has swept the globe, causing the dead to rise and feed on the living. In a matter of months society has crumbled: no government, no grocery stores, no mail delivery, no cable TV. In a world ruled by the dead, the survivors are forced to finally start living.

Book Information

Series: Walking Dead (6 Stories) (Book 1)

Paperback: 132 pages

Publisher: Image Comics (October 1, 2013)

Language: English

Best Sellers Rank: #439,755 in Books (See Top 100 in Books) #198 in [Books > Comics & Graphic Novels > Graphic Novels > Zombies](#) #507 in [Books > Comics & Graphic Novels > Publishers > Image Comics](#) #1097 in [Books > Comics & Graphic Novels > Graphic Novels > Horror](#)

Customer Reviews

My review has zero to do with the storyline and everything to do with the product. If you know the Walking Dead series, then what else is there to say? The TV series follows the books fairly closely, though there are marked differences, and how you like or don't like it will depend a lot on which you did first: read the books or watch the TV series. Most importantly for me, however, is that I got these because I'm a beginning Spanish student and wanted to get something I would enjoy reading and which used idiomatic, every-day conversational Spanish versus "book Spanish". In that regards, these books are extremely helpful, in spite of some minor grammar or spelling issues, which are, I suspect, more the result of sloppy editing than a mediocre command of the language. Being that the books are published in California, I suspect the Spanish is "Mexican" Spanish, as some of the words and phrases used are "unknown" or "sound strange" to friends in Spain. A lack of space in the

cartoon boxes sometimes results in poor spacing between words, so that "periods" and/or commas can't be seen, which affects comprehension. Nevertheless, an excellent and entertaining way to learn another language.

I just got Volume 1 and I've already ordered the next four volumes. I plan to use them as my Spanish language primers. I believe it will be more compelling to read a foreign language that I don't completely understand, if I already know that I will like the storyline and characters. As for the actual experience of reading the story with minimal Spanish language instruction, it's very easy to figure out what words mean without having to rely on a Spanish/English dictionary, because the text is conversational and the artwork is very helpful in establishing the context of what is being said. I definitely recommend these to any of the fans of The Walking Dead who are learning Spanish or who are becoming conversant in Spanish.

great seller. great way for me to practice my espanol.

Love the comics, the series.....now in Spanish it's great can wait for the rest for the series to come out

Exactly what I expected ! :)

great volume
