Customer Reviews

Exactly as described. Bought to learn about the literal texts and rules.

Much needed data to accompany the reading of The Qur'an.

well.... eye opening... many of these some muslim groups have argued over authenticity or throwing out as for "modern times" many of the actions done in these hadith are illegal today! for moral reasons. so to try to live by them today you would be committing atrocities. eye opening for sure.

Interesting read.

Well translated. Although I am seeking a more original copy of these Hadiths as known by Bukhari.

Nice translation.

Bukhari remembrances provide hours of insightful and enjoyable reading. This is by far the best collection of the hadiths of Bukhari. It is a treasure!

A good resource book to have when studying the Qur'an.
