# Super Diaper Baby 2: The Invasion Of The Potty Snatchers

## Synopsis

THE BABY IS BACK! Dav Pilkey's pint-sized powerhouse returns for another amazing adventure! George and Harold (the co-stars of the enormously popular Captain Underpants series) are in big trouble again! Their mean principal, Mr. Krupp, has had it with their comic books. But the boys aren't giving up, and they decide to create an all-new epic novel about a subject they've never tackled before! Dr. Dilbert Dinkle started his career as an ordinary, everyday evil genius/inventor/bank robber. But when he awakens one day transformed into a walking, talking puddle of pee, he vows to destroy every toilet in town. Will the devious Dr. Dinkle and his conniving cat, Petey, ruin restrooms for the rest of us? Or could this be a job for the death-defying duo of Super Diaper Baby and Diaper Dog?

NOTES (from Pilkey.com)"Often when I talk with kids about writing, they tell me that they can't think of anything to write about. They try and try to come up with an idea, but they just can think of anything. So I tell them about PARODY. In Chapter 4, part 2 of this book, there is a story-within-a-story called 'How The Pee Stoled Potties'. This is called a parody. A parody is when you imitate something (usually something famous, like Lord of the Rings or 'Spiderman') and you make your imitation as humorous or as silly as you can. For example, you could make a parody of 'Star Wars' that starred Junie B. Jones as Princess Leia. Parody is a very good example of how you can write about something even if you can't think of an original idea. When I wrote 'How The Pee Stoled Potties', I parodied Dr. Seuss's book How the Grinch Stole Christmas. I've always been a HUGE fan of Dr. Seuss, and I've read his books so many times that I practically know them by heart. So How the Grinch Stole Christmas was a perfect story for me to parody. I used the same writing style that Dr. Seuss was famous for, but I changed the story to match the rest of the book I was writing. If you compare Dr. Seuss's book with my parody, however, you can find many similarities in the illustration style as well as in the structure and layout. Making a parody of Dr. Seuss's famous book was a great way for me to move my story forward, while mixing things up a bit to make the experience more interesting for my readers. So next time you can't think of something to write about, make a PARODY of something you love. Not only is it FUN to write parodies, but you'll never get writer's block because the things you're parodying have already been written for you." --Dav Pilkey

Fun Facts:

1. Billy's favorite book, Mecha Frog and Robotoad are Enemies is a parody of one of Dav Pilkey's favorite books, Frog and Toad are Friends, by Arnold Lobel.
2. Rip Van Tinkle was originally going to be called "Pee-Pee Longstockings". Dav Pilkey changed his name to Rip Van Tinkle for two reasons: A) he didn't have any stockings, and B) his character awoke to find himself transformed (into a puddle of pee), much like the character, Rip Van Winkle, who awoke to find himself transformed (into an old man).
3. Petey's original name was Ralph. In a very early draft of this story, Ralph was a cat scientist who wore glasses. Dav Pilkey can't remember why he changed him to a regular cat named Petey.
4. Rip Van Tinkle was loosely based on a character that Dav Pilkey created when he was a kid. The character's name was Water Man, and he could do all the same things that Rip Van Tinkle could do.

amazing book my 9 year old loved it. Read the whole thing first day

Not my taste but seven year old granddaughter loves it

This book was really funny. The flipperamas were hard at times but still fun to do. I recommend this book for kids from 6\_11 and anyone else who would like a funny story.

My son and I are fans of Captain Underpants and have read all of those books. Super Diaper Baby is the next evolution. This is book 2 so be sure you read book 1 of SDB first. it's a nice follow-up to the original

A little inappropriate, but a funny heartwarming story: '-) it shows friendship, love and superhero's (important!) my daughter Love's this story! I love it to.

I purchased this book for a Christmas Gift for my son, even though I had to get a used one it was still in good condition and came packaged well and received no damage upon arrival. Pleased with order, would have given a better rating but it was a used book.

Although I am not happy about the titles. These books are enjoyable to him. I was walking past his bedroom and saw he was reading these books after bedtime with a flash light on...not happy about the bedtime thing but at least he was reading ha ha...

Very very very funny (to an 8 year old) Parent note - need to like the super diaper, captain underpants, or Rick Rickata series. Overall a nice break for kids who like to read. Let them have some giggles.
