## Customer Reviews

Dale Chihuly is recognized as the most important artist working in the medium of glass. He has won numerous awards, and in 1986 became one of only four Americans to be honored by a one-man exhibition at the Louvre in Paris. Chihuly is co-founder of the Pilchuck Glass School outside Seattle, which draws students and teachers from around the globe.

This is a pretty and unique calendar with gorgeous colors. Unfortunately, the recipient was as pleased as I had been in ordering it. I easily found a taker for it, though. Because of it's unique content, I'd suggest carefully assessing all the photos on the back of the calendar before deciding.

Gorgeous, good quality, a few dollars cheaper than the Chihuly website. Looking forward to hanging this in the new year. Plan to buy some for gifts.

Huge fan of Dale Chihuly! I've seen many of his works, and some of them were in the calendar. I

may frame them in 2018.

I've been to his museum in Florida and also saw his works for his special commission in Grand Rapids, MI. I order his calendar every year.

Bought as a gift for my daughter who is very artistic and introduced me to Chihuly. Truly beautiful to look at.

Beautiful representation of his art

Very pretty. Love Chihuly's art. I wish calendar size was a little smaller and paper was less flimsy.

I have the 2016 calendar and this one is even better!
