The page numbers also allow you to make table of contents, or index, with ease, saving tons of time! All dots are in light gray, so they are easy on the eyes, and less distracting when you write, while they can still guide your writing perfectly. Medium spacing (0.28 inches) between each dot, which is the same as Medium ruled standardized formats of ruled papers, so you can rest assured you are about to write in the space that you are most familiar with. Customer Reviews

A friend told me about bullet journals, and after looking at several, I chose this one. I love that it's a full size 8x10 journal, and as I've used fine line markers with it, there doesn't appear to be any ink bleeding through the pages. The dots are faint enough as to not be distracting, but heavy enough to be helpful when drawing/lining/applying paper tape.

Sent back. This is printed on regular book paper and not strong enough to withstand ink.
