James Dean's art has sold in more than ninety galleries and shops across the United States. He has devoted his paintings to Pete the Cat for fifteen years and has turned his natural love for cats into his life's work. James published his first adult book, *The Misadventures of Pete the Cat*, a history of his artwork, in 2006. He illustrated his first self-published children's book, *Pete the Cat: I Love My White Shoes*, in 2008, and the follow-up book, *Pete the Cat: Rocking in My School Shoes*, in 2011. James lives in Savannah, Georgia, with his wife, four cats, and one dog. You can visit him online at www.petethecat.com. How can one not love Pete the Cat. This is not a sing songy book like "I Love My White Shoes" or "4 Groovy Buttons" but it is a cute little story that has little flaps inside that reveal other characters behind the little flaps. Very cute book.

Cute book. My daughter loved it. The lift parts of the book are a little fragile.

Great

The flaps on this book are flimsy and awkward. They will be easily ripped. In addition, the story is just okay. The pictures are great, however. I wish that the authors would go back to the musical format of the original books. Most of the ones, including this one, that don't feature the collaboration with Eric Litwin are just not of the same caliber of creativity or engagement.

My grand daughter is a fan of Pete the Cat and loves Halloween. This is going to be a gift to her instead of candy in Oct. She'll get enough of that....but his book will be a real treat!

Absolutely in love with these books!! Great quality, great illustrations, great price point!
