Puppy Start Right: Foundation Training For The Companion Dog (Karen Pryor Clicker Book)

Synopsis

With almost 200 pages, corresponding photos, and step-by-step instructions, *Puppy Start Right* is the ideal book for fostering and enhancing a co-parenting relationship among people and their dogs! This book is a great resource for all dog parents, dog trainers, puppy socialization class instructors, shelters, and adoption agencies. Whether you are raising a new puppy, have recently adopted an adolescent dog, or are living with an adult dog, *Puppy Start Right* is the book for you. This book sets the foundation for a lifelong partnership between you and your dog based on a mutual understanding and trust. *Puppy Start Right* is more than a puppy book about socialization; it's a positive approach to problem solving, prevention, and training, all without the use of force. Problem-solving topics address common behaviors of adolescent dogs, including mouthing/biting, jumping, chewing, digging, counter surfing, and stealing objects. Prevention topics include confinement/independence training, food bowl exercises, handling and restraint, and more. The book also includes: • The Developmental Life Stages of Dogs • Domestication, Social Behavior, How Dogs Perceive the World, and Canine Communication • How Dogs Learn • Positive Socialization and What to do if Your Dog is Frightened? • Applying the Problem-Solving Model to Prevent Common Behavior Problems • House Training in 5 Easy Steps • Foundation Training Exercises Kenneth M. Martin, DVM, is the owner of Veterinary Behavior Consultations, LLC, a veterinary clinic with practice limited to the prevention and treatment of animal behavior disorders. He graduated from Louisiana State University, School of Veterinary Medicine in 1999. He practiced companion animal and exotic animal medicine and surgery, as well as emergency medicine prior to completing a behavior medicine residency at Purdue University's Animal Behavior Clinic. He is working toward diplomate status by the American College of Veterinary Behaviorists. Dr. Martin is a contributing author to the textbooks *Manual of Parrot Behavior* and *Animal Behavior for Veterinary Technicians and Nurses*. He frequently lectures at veterinary continuing education conferences and seminars. He guest lectures to veterinary medicine students at the LSU School of Veterinary Medicine. His professional interests include conflict-related (owner-directed) aggression, compulsive disorders, behavioral development, and psychopharmacology. He is a member of the American Veterinary Medical Association, Southeast Louisiana Veterinary Association, and the American Veterinary Society of Animal Behavior. Dr. Martin currently shares his home with two beloved Belgian Malinois, Iliana and Polo. Debbie Martin, RVT, VTS (Behavior), CPDT-KA, KPA CTP, is the animal behavior technician for Veterinary Behavior Consultations, LLC. Debbie has a B.S. from The Ohio State University in human ecology, and an associate of applied science degree in veterinary technology from Columbus State Community College. She has been a full time registered veterinary

technician since 1996. She began instructing puppy socialization classes in 1997. Debbie is a Veterinary Technician Specialist (Behavior) and a professional member of the Society of Veterinary Behavior Technicians. Debbie is a certified professional dog trainer (CPDT-KA), Karen Pryor Academy Certified Training Partner (KPA CTP), and Karen Pryor Academy faculty member. Customer Reviews

I read many books trying to decide which one I wanted to send home with my new puppy parents; I'm a breeder. This one won hands down.

This book is laid out nicely. First, read the PREFACE and Chapters 1-4 to get a great understanding of your dog before approaching training. The photos and key points in shaded boxes make it easy to absorb the information. The rest of the book identifies specific training and behavior how-to's, do's and don'ts. The book is very complete and all-encompassing, addressing practically everything that can be encountered while raising and caring for a dog with respect and kindness.

every puppy owner should buy and ready pre puppy

I like the book - it takes a lot of patience and practice but my almost 4 month lab and I are doing ok with it. He figured the clicker out pretty quick and it works well to keep him from doing things he shouldn't.

Absolutely LOVE THIS BOOK such good easy reference material for all dog owners.

I'm a professional dog trainer CPDT-KA on the east coast. I sent this book to my daughter who lives on the west coast. She recently adopted a puppy.

This should be everyone's first puppy book. It is written so simply and in easy to understand language.

This is definitely the best beginner puppy book and as a trainer I have read many so I can recommend the best to my clients.
