## Customer Reviews

I always struggle to think of the perfect dressing to accompany my lunch or dinner salad. This book puts that to rest! Just yesterday I went to a graduation party and was asked to bring a salad. I used apricot preserves to sweeten a sherry vinaigrette from an idea in this book. So so so handy!

This is the perfect book to give your dinner a little something extra! Easy to follow, and there are options for all moods! I keep it close in the kitchen - it's so helpful!

The Honey Black Pepper Vinaigrette will CHANGE. YOUR. LIFE. This is a must buy for anyone looking to reduce the processed, packaged goods in your life. Mamie makes the recipes easy (and delicious!)

I love this book!!! It has a wide range of dressing options and all of the ones I have tried so far are delicious. The book itself is beautiful too, so this would make a wonderful gift!

This book is fantastic! I'm such a lazy cook and I've been stuck in the olive oil and lemon as dressing rut for so long. Finally I have some super simple recipes for tasty dressings - many of which I can make from what I already have in my fridge / cupboard! Can't wait to try them all!

Love it. Use it all the time. Great pics too!!!
