Customer Reviews

Ok these are probably my favorite Islamic books for kids. I bought this book for my daughter and she loves it. She reads it almost everyday. These adventure series do a really good job introducing kids to the basics of Islam. I highly recommend this series as they are always well illustrated and well written. It's easy for her to follow along and learn about the basics of Ramadan. She especially loves the characters. I also enjoy reading it to my daughter and was probably as excited as her to read it for the first time when we got it ;) I definitely recommend this book and the rest of the series. I'm also looking forward to the Eid Adventure coming out.
