At Your Baptism

Synopsis

Through the sacrament of baptism, God shows his love • the same love that claims us for his family, that sent Christ into the world to die for us; the same love that we show to one another. Using simple, clear text adapted from the French Reformed Church liturgy and paired with vibrant illustrations and straightforward explanations on every page, *At Your Baptism* provides the perfect way to show young children how baptism is a sign of God's love and promises.

Her work has also been exhibited in the Society of Illustrators annual show. Linda Saport lives in Boulder, Colorado. "

Sweet book for a baptism gift. It's Christian without being too specific about one denomination. Perfect board book for my 9 month old nephew (and his older brothers).

Beautifully done. Great quality.

It's a great book to explain infant baptism to young children, emphasizing God's work for us and his faithfulness. We started reading it to our 3-year-old when our newborn was baptized, and she got into it.

I absolutely love good theological books my kids can digest and learn deep truths at the same time. I appreciate many of the books in the Eerdman's children's library and will purchase again from them.

Adorable book - was a big hit at my nephew's baptism party

Bought for my niece's baptism. Her parents love this book (she's currently too young to grasp the concept).

Great gift! I really enjoyed the book. It is way advanced for a one year old or toddler but it will be great to revisit the book as the child gets older and understands more.

I am Lutheran (Missouri Synod) and appreciate this book and it's view of baptism. It has meaning behind it - nothing cheesy. It's a board book and great for little kids. We received it as a gift for our own daughter and purchased it for our niece (both 2 months old.)
