The Drop (A Harry Bosch Novel)

Synopsis

Harry Bosch has been given three years before he must retire from the LAPD, and he wants cases more fiercely than ever. In one morning, he gets two. DNA from a 1989 rape and murder matches a 29-year-old convicted rapist. Was he an eight-year-old killer or has something gone terribly wrong in the new Regional Crime Lab? The latter possibility could compromise all of the lab's DNA cases currently in court. Then Bosch and his partner are called to a death scene fraught with internal politics. Councilman Irvin Irving's son jumped or was pushed from a window at the Chateau Marmont. Irving, Bosch's longtime nemesis, has demanded that Harry handle the investigation. Relentlessly pursuing both cases, Bosch makes two chilling discoveries: a killer operating unknown in the city for as many as three decades, and a political conspiracy that goes back into the dark history of the police department.

Customer Reviews

Best Books of the Month, December 2011: With his retirement looming, LAPD's Hieronymus "Harry" Bosch takes on two seemingly unrelated cases. The first is a botched DNA test from a 1989 rape and murder, which has been pinned on a convicted rapist who was only eight years old at the time of the crime. Harry's pursuit of that case is interrupted by the apparent suicide of a councilman's son. A former police chief and no fan of Harry's, the councilman insists that Harry investigate his son's death. In pursuit of the truth, and an elusive killer, Bosch and his partner uncover secrets and a political conspiracy deep within the police department. Connelly's aging hero is a flawed, haunted, and unforgettable character; his creator is a master craftsman. --Neal Thompson --This text refers to an alternate Audio CD edition.

PRAISE FOR THE REVERSAL: "Each of his books is so much more than the sum of its parts....Connelly writes true-to-life fiction about true crime. What makes his crime stories ring true is that they're never really over." • Janet Maslin, New York Times "Thank God for Michael Connelly....Connelly retains his journalistic gifts; his eye for detail is spot on....Taken together, his 22 novels form an indispensable, compelling chronicle of L.A." • Jonathan Shapiro, Los Angeles Times
