Stepbrother's Rules: A 1950's Ageplay Romance

Synopsis

College Coed LuAnn should not be lusting over her gorgeous stepbrother, especially when he's taken on the temporary role of her guardian until her parents return home from Europe. She certainly shouldn't be calling him "daddy" and letting him give her bare-bottom spankings, bubble baths and massages with baby oil. But when she gets kicked out of her college dorm, Brad's the one who shows up to collect her, and before she knows it, everything is out of control. Her darkest fantasies are coming true, but when their parents return, will it all be over? Or is Brad playing for keeps? ***This naughty novella was originally published as part of the Correcting the Coeds 1950's spanking romance box set.***Publisher's Note: The book contains spanking, elements of ageplay and graphic sexual scenes. If such content offends you, please do not buy this book.

Customer Reviews

It's the 1950's and college student LuAnn is in trouble at school. The only person she has to turn to is her stepbrother, Brad, the man she secretly lusts after. Brad has a secret of his own. He wants LuAnn in a most unbrotherly way. The character of LuAnn has a certain naivete about her which meshes perfectly with Brad's need to guide, discipline, and dominate (in a loving way, of course.)

This book is a steamy romance with spanking, sex, and elements of ageplay. The D/s aspect is seriously hot even if ageplay isn't 100 percent your thing.

This story crosses the line in the 1950s of taboo, two step-children together, no blood relationship, but attitudes in society. Then throw in an age-play element and did things really heat up! A naughty girl, one month from graduation getting kicked out of her dormitory and her Father and stepmother are in Europe, leaving her at the mercy of her step-brothers. The oldest is too busy and sends the younger one. What happens when he agrees to allow her to stay with him while she finishes her college and gets her teaching certificate? Rules are everywhere in life, and that won't change here. Nothing like a good old-fashioned spanking to set the standards in place. This story will keep the pages turning, and the bottom upended over his lap. When he realizes her little side, he pulls it into the dynamics of their relationship which is steamy hot.

**** Copy of book provided by Net Galley in exchange for an honest review**** Whew! Stepbrother's Rules was a super-HOT book!! This was the first book that I have read by Renee Rose and I LOVED it! Though it was pretty quick paced; the story was really well written. This was definitely a read it in one sitting type book! I just couldn't put it down!! I loved everything about this book! the 1950s setting! the spanking! that their relationship was somewhat of a taboo! Brad in the "alpha-daddy" role made him totally swoon worthy and HOT! This was really a fun read!! I will definitely be checking out other works by Renee Rose!

I'm not always a huge fan of Ageplay books, they can sometimes make me a little squeamish. But this book by Renee Rose was a really good, fast paced read!! Brad and LuAnn are step siblings, but have spent very little, and I mean only months, in the same house. These characters are well written, it's pretty accurate for the time, and a compelling story. Great job, Renee

Sweet story, steamy romance, hot protective hero, cute sassy heroine! Lots of spankings with steamy sex, a strong hero and a helpless coed. As one reader said, "the blend of expertly portrayed spank play, sex, and daddy play is so well executed that reading it makes one's mouth water." I have really enjoyed Renee Rose's books, and will continue buying them as long as she writes them!!!

Truly enjoyed the dialogue. The introduction of the somewhat tame BDSM was a very nice touch. I had to remember that this story was set in the late 1950's. Which made it an even better story to get caught up in. I'd recommend reading this story.....just make sure you have your Vibrators ready ladies. Happy reading.

LuAnn behaves badly and her stepbrother takes control. Both characters grow because of the steamy connection they have with each other. This is a nice piece of fantasy for the DD fans.

Awesome, steamy hot read. I've never read a book like this before, but am a big Renee Rose fan, so gave it a try. This is one of her best--the tenderness along with the hotness is powerful. I've read it again and again. Definitely recommend!
