Forget giving this to high schoolers! ANY Christian woman can benefit from this! I took my high school girls' discipleship group through this, and I was amazed at how great this would be for an adult's study. Hayley will kick you in the teeth spiritually-speaking. I guarantee you will get something out of this - a lot of somethings for that matter. Don't let the intended age group fool you. It'll put you through the ringer.

After I read Give God Something He Can Feel, I didn't want to stop, I needed to keep growing. I was advised about this book from the same source that recommended the other. This book had me at God! If you are serious about your walk for Christ, this book will speak to you on a spiritual level that will open you up to the necessary changes you need to make in your life to begin a fully spiritual journey. I love this book. I've recommend it a 100 time over. You don't want to miss this wonderful read.

I've done the first 10 days of this so far and I'm really enjoying it. It's an easy to read book with chapters that are 1 day at a time and only about 2-3 pages. The chapters are made so you can write in them and answer questions too. I look forward to finishing it up and learning about what the Holy Spirit does for me.

This book is amazing! What a great purchase. This author gives you such knowledge and a different point of view on this world. I would recommend this book to anyone! The delivery time was fantastic as well by .

This book was such a tremendous blessing and awesome read. Its easy to read but points out the depth of the simple principles of God.

This is an EXCELLENT book for any teenage girl or adult woman. I would recommend it to anyone who wants to grow in their faith and walk the walk.

This is a great book for early teens. It helps build a closer relationship to God our Heavenly Father. A good character building book.

So glad that GOD has plans for me. Looking forward to the change in the next 30 days.
