Monster Erotica Mega Bundle: Gods And Demons

Synopsis

Monsters come in all shapes and sizes, from lustful demons of the deep, to horny creatures from another world. This particular mega bundle collects six sinful tales of hot, sexy gods and demons that are ready to ravage anything that crosses their path... All at the same time! "The Demon Firm" Even Martina herself is stunned when she aces the interview for a secretary position at one of New York's most successful law firms. Now she just has to make it through the first day. "The Angel Choir" When a freak accident causes Wendy to wake up in Heaven, she finds herself with the power to take on as much loving as she can handle... at the center of a hardcore angel gangbang! "The Hellhound Moor" Annie doesn't believe in the paranormal, so when she arrives at her families' spooky manor in the moors of Scotland, she's more worried about getting some writing done than getting eaten by monsters. "The Tiki God Luau" After a messy breakup, Riley is heading to Hawaii for a weekend of sun, surf and hopefully a few random hookups. But, after a mysterious encounter on her plane, Riley finds herself in the possession of a mysterious tiki idol, which threatens to severely complicate her vacation plans. "The Jersey Devil Flock" Riley is desperate for cash, so when she sees an online post looking for an assistant to Elliott Green, renowned horror author, she jumps at the opportunity. But Riley is about to find out that this new novel is more than a simple work of fiction. "The Mind Elf Trip" Rachel is headed to Joshua Tree National Park for the trip of a lifetime, but not the kind of trip you take by car or plane. Instead, Rachel will be tripping on PMZ, a new hallucinogenic that's been said to rip the fabric of our universe wide open, revealing what lies behind the curtain of our perception.
