Wealth Can't Wait: Avoid The 7 Wealth Traps, Implement The 7 Business Pillars, And Complete A Life Audit Today!

Synopsis

New York Times, Wall Street Journal, and USA Today best seller. Stack the odds in your favor and start building your wealth today! David Osborn and Paul Morris, two of the most popular and celebrated wealth-building minds in the game today, have mastered the art and science of sustainable wealth creation through entrepreneurship, passion, and a relentless focus on growth, success, and fulfillment. In *Wealth Can't Wait*, they share their decades of knowledge, debunk the myth that building wealth is often difficult, and demonstrate how you can create horizontal income streams to enjoy more financial freedom throughout your life. Far from a get-rich-quick formula, *Wealth Can't Wait* equips you with a comprehensive set of wealth-building skills that will serve you throughout your life. Osborn and Morris' tested and proven five-part strategy outlines what is required to build wealth - from making the initial choice to dealing with setbacks - and details how to cultivate the mindset, habits, business, and momentum to secure the greatest results. The book's valuable tips, building blocks, and lessons from the authors' own experiences will inspire you to start achieving your financial ambitions today.

Customer Reviews

This book was an easy read. The chapters were the perfect length. Very informational and motivating. It hit business life points not just a "How to Real Estate Book". The one strange thing about the book was that it appears two guys wrote the book but it appears to be written like one author is telling both of their stories.

This book transformed the way I think about wealth and how to achieve it. It promotes great

planning and the creation of habits that build wealth. Excelente libro!

Quality book from men who truly know what they are talking about. Glad to add this to my collection of "go-to" coaching selections!

This book should be a pre-requisite for every college graduate. I only wish I had read it many years ago so I could have avoided most of the bad financial decisions and frustrations I have encountered.

I loved reading about "wealth Accelerators", and found myself wanting to write down every quote. Great motivational book!

David Osborn creates a playbook that all can use to enhance their live by learning the principles of living a wealthy life which goes beyond the amount of money one has in the bank. Truly extraordinary lifestyles always come down to a few simple truths. It may not be easy but it's infinitely worth the effort! They break apart their own journey and deconstruct the 5 phases to learning, living and creating quality of life worth celebrating. First the commitment, then the mindset, then the habits, then the models, then the effortless fine tuning of the whole picture. Dig in and enjoy. Use it as a manual for creating the life you've always imagined!

Inspiring reading.

I a world of trite truisms, this book stands out with relatable stories and actionable steps that will make a difference. Wealth isn't waiting any longer, I am on it. I love the 7 strategies Thanks to Paul and David for bringing great value!
