Customer Reviews

Good recipes

i haven't used it a lot but for the things I have used it for is great. I've used the blender/smoothie maker. I love it.

Good recipes

I personally have a Oster Pro Blender so when I saw a book that is specifically written for it I had to get it. This book is full of over a hundred great recipes with any favour you can think of, especially for the Oster blender but could be used in any blender as well. The layout of the recipes is easy to follow with instructions and ingredients laid out simply and the sections are ordered according to the smoothies purpose such as anti-ageing, sugar levels or detoxing giving them an extra bonus besides being delicious.

THIS BOOK IS ONLY FOR SMOOTHIES AND I'M SURE THAT THERE ARE MANY OTHER THINGS THAT CAN BE DONE I.E. SOUPS AND OTHER FOOD PREPARATIONS.
